## Internet Marketing manually daily takes too long. Automation will keep you working your business.

To get leads from Google, Yahoo and Bing you need to create web pages and blog posts daily. Most Internet Experts say you need 300+ web pages to be seen as an authoritative website for your industry, products and services.

## How long does it take to create a 1000+ Web and Blog Pages?

### Web Designers:

- Average Cost \$100/Hr
- 1 Hour Per Page
- 8 Pages Per Day
- 40 Pages Per Week
- 25+ Weeks for 1000+ Pages
- 6+ Months for 1000+ Pages

### Business Owners

- 1 Page Per Day
- 5 Pages Per Week
- 20 Pages Per Month
- 240 Pages Per Year
- 4+ Years for 1000+ Pages
