

OUR GOAL

Wausau Child Care is dedicated to the goal of providing care for school age children ages 5 through 12 years. The children participate in a well-supervised daily program providing free-choice opportunities, large motor skills, arts & crafts, opportunities to complete homework and time to socialize with friends. A nutritious snack is provided, prepared by the Wausau Child Care Food Service staff. Our staff members are dedicated to the safety and well-being of the children in their care.

Please contact the School Age office if you'd like more information about registering your child with our program.
