**URBAN CONSTRUCTION** became a Butler metal building dealer in 1948 and consistently ranks in the top 100 for sales volume of pre-engineered metal buildings in the United States.

To be in business for 60 years you must have satisfied customers. Our current staff of five sales representatives has over 120 combined years of construction experience. Your trust in our experience has led to many satisfied customers who have come back for repeat business. Whether it is a new building project or a building repair, our only objective is to make your project a success.

**We have achieved several milestones in the last 60 years, including:**

- Over 2,500 building projects completed
- Over 12 million sq ft of metal roofing installed
