

## Happy Birthday

Jim S.	9/2
Dan K.	9/4
Jim T.	9/5
Brian L.	9/9
Lori V.	9/9
Dana J.	9/12
Mark L.	9/12

## Supported Employment Update

Kody S. – Working Away At Weather Shield Millwork

Kody S. knew for a long time that he wanted to work in a factory. After graduating from the Medford Area Senior High School in May 2017, Kody completed a successful On-The-Job Assessment at the Weather Shield Millwork Plant. And then on June 22, Kody’s dream came true when he officially became an employee of the Millwork Division. Kody’s job duties include stacking wooden window parts on carts as they come off the tenoners, banding loads and delivering them to different departments, helping out wherever needed, and keeping his work areas clean. Kody’s favorite things about his job are all the new friends he’s made, eating lunch with his “Weather Shield moms”, and getting a good-sized paycheck every two weeks!

## Anniversaries

Molly T.	18 Years	9/2
Kendra M.	1 Year	9/6
Damien K.	3 Years	9/8
Dan K.	39 Years	9/14

*Thank you for your years of service!*

## Front Office Reminder

A reminder that our second round of company wide mandatory trainings will be held on Monday, 9/11 or Thursday, 9/21 from 1:30-3:30 p.m. These trainings will again be held in the break room. If you cannot attend one of these meetings it is your responsibility to notify your supervisor to make other arrangements.

***BRI will be closed on Monday, September 4th for the Labor Day Holiday.***

## Production News, by Teri D.

Today will be Oscar P.’s last day with us as school is starting up again. A big “Thank You” to Oscar for all of his help this summer. He helped us out on the Lawn Crew, RAM Crew, and in Production. Good luck as a Junior and on your football season!

Mark S. is also back to work starting next week at the Medford Middle School. Mark helps out in the kitchen during the school year, he also helps coach the Medford Girl’s Volleyball team. Good luck Mark on your school year!

As everyone knows, Sue W. has been greatly missed as she has been out all week. We are all very happy that she is starting to feel better! She will be returning to BRI next week.

Production has been busy this week. Phillips Medisize has been keeping us very busy with Springs. We shipped out 80,000 this week. Everyone has worked very hard this week. Great job everyone! Have a fun and safe Labor Day weekend!

## Day Services Happenings

Our favorite State Trooper came for a visit this week. Thank you Officer Shilts for taking a minute out of your busy day to be in our group picture with Day Services.

September is here and we have a lot of busy activities planned. We pray for nice weather. Your calendars should have went home with your menus.

## Employee Appreciation Week

BRI's Employee Appreciation Week dates have been set. This year's events will take place during the week of October 9th through the 12th. Further details about the week's dress-up days, treats, milestone employee luncheon, and "picnic" day fun will come at a later date. In past years we've gone to the movies, had parties at BRI, and even gone bowling. Stay tuned to see what fun this year will bring!

## Employee Spotlight ... Kendra M.

### What is your position at BRI?

Program Assistant (I work in Residential and am a C.N.A. in Day Services)
