

PRESS RELEASE

Probiu^m® Probiotics Oral Blis® Combo 4B Wins Best of Supplements Award

WAUSAU, WI, (September 22, 2014) - Probiu^m - THE PREMIUM PROBIOTIC COMPANY™, is a probiotic company which manufactures branded and private label probiotic products and markets them worldwide. It's newest product, **Oral Blis® Combo 4B** was presented the **Best of Supplements Award** by **Better Nutrition Magazine** at the Natural Products Expo East 2014 in Baltimore, Maryland.

Better Nutrition Magazine *Your Guide to Healthy Living* is a division of Active Interest Media. Active Interest Media (AIM) was formed in October 2003 by Wind Point Partners and Efrem "Skip" Zimbalist III. AIM is a rapidly growing media company focused on enthusiast magazines and related consumer shows, internet sites and books.

Launched in May 2014 at Vitafoods Europe in Geneva Switzerland, **Probiu^m's® Oral Blis® Combo 4B** contains Blis K12® and Blis®M18, patented strains of *Streptococcus salivarius*. *S. salivarius* is one of the most important and numerous probiotic strains found in the mouth of healthy individuals. BLIS K12® is the first probiotic specifically developed to help support a healthy mouth, ear, nose and throat. BLIS® M18 is a patented oral probiotic providing advanced protection for the gums and teeth. **Probiu^m's® Oral Blis® Combo 4B** exceeds 4 Billion CFU per Serving (one fast-melt tablet) and contains 30 servings per bottle.

In addition to **Probiu^m's® Oral Blis® Combo 4B**, Probiu^m®, LLC has six other premium branded probiotics. Probiu^m® Premium Probiotics contain no wheat, no eggs, no yeast, no soy, no sugar, no salt, no animal derivatives, no maltodextrin, no magnesium stearate, no artificial flavors or preservatives. Probiu^m® Premium Probiotics are also gluten free, non-dairy, and non-GMO.

Probiu^m®, LLC's mission is to provide customers all over the world probiotic products that help support a long and healthy life. This innovative company continuously improves its products to meet market demand and strives to make the best probiotic products in the market in terms of effectiveness, quality, and stability. Probiu^m® products are all natural and meet the highest quality standards.

Probiu^m® sources all of its probiotic strains and other ingredients from top quality cGMP complied suppliers. Manufacturing of Probiu^m® Premium Probiotics is done by Dietary Pros, Inc., the parent company of Probiu^m®, LLC. The manufacturing is done in a state-of-the-art cGMP manufacturing facility located in Wausau, Wisconsin, USA. This relationship between Probiu^m®, LLC and Dietary Pros, Inc. allows Probiu^m®, LLC to offer custom manufacturing and private labeling services in addition to providing the Probiu^m®, LLC brand.
