

# “Spread the Word”

## Family Referral Incentive

Because personal contact and word of mouth is the best method for letting people know what we have to offer here at Trinity Lutheran School, we will be offering a **\$100 tuition credit** for anyone who refers a new family to Trinity. When the referred family enrolls their child(ren), the referring family will receive a \$100 tuition credit which they may use to pay their own tuition or give to the new family.

So talk to your friends and family about the great things that are happening at Trinity Lutheran School. Then complete the form below and return to the office. Remind the family to list your family as the referring family on their enrollment application.
