### THE FLEET CARD: Convenient and Rewarding!

Detailed billing of your purchases is available with the R-Store Fleet Fueling Card. A breakdown of your fleet expenses will allow you to manage your business more efficiently by monitoring fuel costs. Additionally, a competitive fuel discount is available to customers based upon the volume of fuel purchased each month. Call for details.

### Free and Easy!

There is no monthly cost associated with the R-Store Fleet Fueling Card. Reports breaking down your monthly expenses by driver or vehicle are also free of charge. Just like any card it's easy to use, and at some of our locations pay-at-the-pump capability is also available.

### Secure and Customizable!

Restrictions can be placed on the card limiting purchases to just fuel, or even certain grades of fuel. Personal Identification Numbers (PINs) can also be assigned to the cards offering additional security. An odometer prompt can also be requested along with a request for a driver or vehicle number. The card offers a range of options from no restrictions, to heavily restricted. It's up to you, the customer, to determine how the card should be used.
