

## Devil's Creek Stump Jumpers Snowmobile Club March - April 2014

Hi Fellow Snowmobilers & Club Members,

The Club wants to Thank everyone who helped with our Vintage snowmobile show & ride on Feb. 15<sup>th</sup>. Without your help we could not have a show. Thank you for helping. We had 126 vintage sleds at the show and over 100 spectator sleds at the event. It was a great success. The raffle of the 1972 Mercury Lighting, raised \$750 for the Lincoln County Humane Society.

Saturday, March 8th is the Devil's Creek Stump Jumpers Appreciation Raffle at Schult's Country Inn. As in past years, please try to get donations from local businesses for the raffles and for the miscellaneous table. We would like members to come at 5:30 to set up. The evening starts at 7 with free beer & soda, buffet served at 7:45 and winners drawn at 9pm. Club members are asked to bring a pan of bars for lunch and help at the tables selling tickets for the raffles.

The AWSC Convention will be in Green Bay, March 28-30. If interested in going contact Willie Schult 536-6458 for more information. The youth representatives from the state will be holding a silent auction to raise money for youth scholarships. One of the Lincoln County reps., Angelica Komarek is a member of our club. The youth reps. are making up baskets from their respective counties. If you would like to donate something made in Lincoln County, contact Laurie 536-3711.

The CAP/STEP Assembly Bill 407 was passed by the state assembly on Feb. 20 by a vote of 89-6. It now goes to the Senate the first week in March, passage by the Senate would then direct CAP/STEP to the Governor for his consideration. Any questions, contact Willie 539-6458.

With all the snow this winter everyone should get lots of riding in and maybe the trails will stay open until March 31, the last day they can be open. Happy trails..... without the local clubs and the hard working members there wouldn't be trails for everyone to enjoy. Talk to your friends about joining the club.

These are new and renewing members since the Jan. - Feb. newsletter
