

Fall Plant Sale

August 2021

Fall Blooming Annuals

A variety of sizes and plant types are available to spice up your containers for Fall.

Fall blooming annuals do NOT come back in the Spring!

These annuals add color and enhance gardens during the Fall. They have a higher cold tolerance, so that they can survive light amounts of frost versus tender annuals.

Grown by Grass Creek Greenhouse in Hamburg, WI

Perennials

Available in 1 gallon pots

\$12.00 per plant

All perennial plants are Cold Hardy to Zone 4 or less

Fall is a great time for planting! There is plenty of time before the ground freeze to get the plants in the ground. The roots will take hold over fall to overwinter until spring. Plus the pollinators will love you for planting these new garden additions!

Grown by Bauman's Nursery and Landscape in Edgar, WI
