Monk Botanical Gardens is seeking to be a premier botanical garden, providing opportunities to experience plants and understand their significance. This 30-acre garden has been described by community members as an "urban oasis". Nestled in the north end of Wausau, the Gardens is the first and only botanical garden in Central Wisconsin. Since incorporation in 2003, a group of dedicated volunteers have worked tirelessly to make Robert W. Monk's vision a reality.

There are many ways to make a meaningful and lasting contribution to the Monk Botanical Gardens. A donation offers a unique opportunity to honor the special people in your life. Gifts may be purchased in loving memory of a cherished friend, relative or to celebrate an anniversary, achievement or special event.

A variety of trees, shrubs, plantings, planters, pavers and benches are available with an attached plaque or stake. Major projects in the Gardens can also have naming rights. However, all donations must be compatible with the overall Garden plan.

Anonymous donations will be respected. Contact us at 715-261-6309 if you are interested in supporting us this way.
