

Dear Parents:

Your child's physician is referring your child to the Achieve Center for assessment and/or treatment services.

About The Achieve Center

The Achieve Center offers mental health and learning services for children and families impacted by neuropsychological and developmental disorders, including learning disabilities, ADHD, autism spectrum disorders, cerebral palsy, concussion/brain injuries, cognitive delays, chronic illness, and physical disabilities.

Our specialists:

- Perform neuropsychological assessments
- Perform developmental and behavioral assessments starting as early as age 3 months
- Teach strategies to acquire new behaviors, social and life skills, and enhance cognitive and learning abilities
- Help individuals to believe in their abilities, develop a positive self concept, and overcome anxiety and depressed mood
- Assist with adjusting to a disability and improving pain management
- Provide individual and marriage therapy to help families learn coping strategies related to the behaviors, emotions, and needs of their loved one
- Offer workshops and support groups for parents and siblings

How to Initiate the Registration Process

To initiate the registration process, the following steps must occur:

- Physician sends completed referral form to the Achieve Center.
- You call the Achieve Center for a brief initial phone intake.
- Upon completion of the initial phone intake, registration forms are sent to you.
- You complete these forms and return them to the Achieve Center.
- Upon receiving these forms, the treatment staff will review them and decide by whom the services should be provided.
- You will be telephoned by the registration staff to schedule the appointment.

Please be appraised that appointments are scheduled on a first come first serve basis. Returning the forms for review as soon as possible is important and will help to expedite the scheduling of the appointment. There may be a wait time for the first appointment due to the demand for services. However, every effort will be made to schedule your child's appointment as soon as possible.

We look forward to meeting you and your child!

Sincerely,

The Achieve Center
