2021  
Board Meetings  
at 7:00 PM

*Open to all members*

Second Tuesday  
each month

Erin Witucki emailed the board to see if we all would approve to donate a \$25.00 to the businessmen's booster club sponsorship as she believes we have done this in the past. A motion was made by Tom Bartz to accept the secretary's report as distributed, seconded by -Stacey Teske, motion carried Stacey Lindsay made motion to accept

## **Old Business**

**Building Committee** - We are getting some prints drawn up for plans by Elliot Beck top side views. We are going to be talking with someone to help type up a letter to apply for several grants. Paul Shore said he had the water well was tested and is safe.

**Club Lighting** - Mike Dellenbach has the lights in his truck and next week he will start working on the lights. He wants to do himself first to be sure he has all the needed parts.

**Summer BSG** - Tony Heil said it went well. For the attendance we had within the two days was low. Had roughly 18 indoor shooters and 18 outdoor shooters for the weekend. Had enough workers for the event and next year this will be moved back to the beginning of June like normal. We're still waiting for the money from registration, cost of metals, and then they give the rest back. After that, then we will know how much we made. We had some new members sign up and sold some clothing as well.

**Traditional Shoot** - Rich McCullough came on Friday to help set up and several campers. We had plenty enough help and food went well. Paul Shore they had 72 shooters and there was lots of food. The rain gave them some breaks to shoot the course was great. Thanks to those that worked during the week to prepare for the weekend!

**Heritage Days** - Signup sheet for helpers is posted in the club. Paul Shore said all the kids get a bag and, in each bag, will be a brochure of RMB.

**Summer 3D** - John Schepp reported we had 92 shooters and charged \$6.00 per night for range fee total made was \$552.00. There was \$75.00 in donation box bar money was \$1618.00 for total \$2245.00 for league. August 9th was the last night of the league, some may still come out to shoot, would just need to bring own drinks from which until the 3D targets are removed from course.

In a couple weeks hoping to have a work party outdoor to take down targets on outdoor course and then replace the If anyone would want the old outdoor bails, we would charge \$20.00 and if interested it will be first come first serve. This will also be in the email when the work party is planned.

## New Business:

**Outdoor Range and 3D Course** - Liz Woodward we need to have the outdoor course addressed as it can be slippery. Maybe if once, we start with new building we rethink the course entrance and exit and a quick course. Ron Hoppe said maybe once the snow is gone, we could set up a shorter course and get them up early so can practice and enjoy the targets and course. Would possibly need to have a bobcat or something to make a ditch on the high side of the road to have the water drained down to the creek.

Tom Bartz said we still have the budget to buy cores for the 3D targets inserts. Ron Hoppe said he would like to do a target inventory for, what we have for 3D targets so then and replace the cores and order what would be needed.

Ron Hoppe would like to also start up a money shoot for outdoor course and get more events here.

Towers on course will need attention to make sure they are safe.

Ron Hoppe will lead the outdoor course Tony Heil and Stacey Teske seconded, and motion carried

**Clothing order** - John Schepp will contact Flip Side Graphic and we had ordered from Eastbay. Marisa Graveen can ask for a book. We will follow up next board meeting as would like to do another bulk order as that can be cheaper.

Marcell Weiloach said on Outdoor Bound TV show at 10:30 AM on Sunday mornings, there was a 15-minute Chris Hamm segment and he had pictures of our club they spanned the whole area

Tom Bartz said he was contacted by Jack about filling the LP tanks first tank is 83% and the other one is full, so this is not needed at this time. He will let him know.

There is a big popple tree on the highline and Tom Bartz signed the form to have it cut down. Just so we are aware if they come across the land.

Lindsay Kalenske said we need to make a plan to reshuffle the bunkers cardboard and maybe order more after replacing so we have to do again before winter BSG. Sept. 9th work party 6:00 PM CST.

John Schepp thanked Sam Lockhart for splitting the wood and we need to also to stack the wood and need to have a work party to clean up outside and stack the wood.

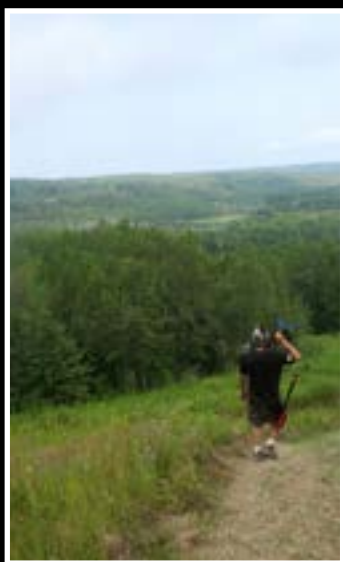

Tom Bartz made motion to adjourn Stacey Teske seconded. Motion carried

# Bowfest 2021, Mont Du Lac, WI

Marisa Graveen  
&  
RC Wichlidal

Long Distance Shot

# Paul Josiger shooting OPA

(Organization of Professional Archery)

# 2021 Badger State Games
