Old Business

Membership sales: Need to know from Ross Witucki when the sales are starting and when the combination on the door will be changed. There will need to be dates set for when memberships are on sale at the club and give a time frame to come into the club so that social distancing can be followed. Frank Copenhaver made a motion to have membership sales start the first week on February, 2021. Paul Shore and Aaron Copenhaver seconded the motion, motion carried.

Emails to the board: Someone is sending emails to the board members as spam using Tom Bartz's name however is not his email address. Assume this is coming from on the website. If anyone knows of this, please contact Tom Bartz as he would like to get this reported to the authorities.

Website calendar: Liz Woodward reported we never heard who had it. It was removed after the last meeting's notes were sent out on the Bowbunk. Liz is working on fixing and getting a new calendar on the website.

Building Committee update: No current updates.

Work hours: there are plenty of opportunities for working members to complete their required 10 working hours. All members are welcome and encouraged to participate in helping with shoots and general grounds maintenance. There will be specified dates in 2021 that will be posted for specific work parties for the outdoor courses and clean up. PLEASE PARTICIPATE IN THE WORK PARTIES!!!! It's a great way to get all your hours in and when there are many hands helping it makes lighter quicker work for everyone involved!!!!

Trespass Issue: Tom Bartz received a call from a neighbor that there was a trespasser on the neighbors land, he gave Tom the plate number and make and model of the vehicle per Mark Vanderkoy on the Wednesday of gun season.

***Liz Woodward and her husband came to the club one morning and the man person was preparing to go out into the woods with a gun. Liz Woodward then contact Tom Bartz regarding the encounter.

The Bowbunk:

** The Bowbunk, RMB's Monthly Newsletter, has been created and dispersed to our members for many years by Doug Curler. Last month Doug announced his resignation from this responsibility. We would like to thank Doug for his efforts and dedication to this task. The Bowbunk is a wonderful way to reach our members for RMB news and updates and Doug did a wonderful job keeping everyone up to date through it. Thank you!

Due to Doug's resignation, Liz Woodward has volunteered to complete the Bowbunk for the month of December. Marisa Graveen may take on this responsibility but if there are any other members interested please feel free to contact a member of the board.

Stacey Teske made a motion to adjourn, Tim Wollar seconded. Motion carried.
