Old Business

- **Building Committee Updates** - Lindsay Kalenske said we have the blueprints far enough along and Tony Heil presented to several different contractors and we are working on getting estimates on costs.
- Ron Hoppe said Sue Nelson posted on Facebook that they will be teaching at the seminar and it's all about grant writing and how to write letters. Paul Shore will be attending 1/20/22 workshop. If anyone else is interested please contact Paul Shore, here are the times for the workshops. *January 20th from in person 10-11:30 AM CST and Online would be 1-2:30 PM CST*
- As a committee, we discuss in hiring someone to write the grants and we would include in the grant money. We are thinking we may be asking for \$1-2 million dollars, so we need someone with experience. If there is a cost upfront for this and may have to have a special meeting for approval from members and board.
- Tony Heil has the deadline as 2/4/22 to get the prices from contractors and after revisions made, he will get a print made and post in the building so all members can see what we are looking at doing as we go.
- **Indoor bunkers**- Liz Woodward all have been completed with new cardboard. There is some cardboard left on the range and we could burn during the work party on **Saturday 1/15/22 at 10:00 AM.**
- **Club furnace**- We had approved via email to board as this was a rush issue to fix the furnace. The side that heated the bar area was not working so we were concerned of freezing pipes etc. The cost originally was \$1600.00 Ethan Gilray, he wrote off \$500.00 on the bill and he also donated his labor. The final cost was \$1,100.00. As he was not a member at the time, he had requested a Lifetime membership as well. The board agreed as he had reduced the charge for the cost of the membership. Thank you, Ethan, for fixing the furnace so quickly for the club.
- **Robert Eckheart** - He has passed away on 12/23/21 flowers have been sent. Ross Witucki asked if we have anyone this is the responsibility of sending flowers. Tom Bartz said in the past this was the secretary responsibility, John Schepp said he would help in getting the flowers etc. These would be for current or life members. The set amount is \$50.00. Tom Bartz suggested calling Krueger's by Log Cabin and maybe set up an account with them and so can just call and order to be sent.
- **Snow plowing** - Adam Skic has been hired to plow and the bill will be coming to Erin Witucki's House.
- **Raffle Party - April 10th, 2022, at 9 am to 5 pm** - Paul Schlep, Mike Delenbach and Aaron Coopenhaver are in charge of the raffle party this year. Aaron talked with Gabe Stengel to do the food. Aaron Coopenhaver was at the Little Old Wine Shop, and this is sold to a couple to Lisa and Paul and let them know that prior owners would donate a couple cases of wine and they said would be willing to also donate. Tim Woller said in the past there was a list of donors list. Aaron Coopenhaver said he has the list and could mark down who went to ask for the donation.

- Marcell said raffle tickets and gun tickets are all handed out so far to sell.
 - **John Muir Kids Shoot** - John Schepp reported they had 7 kids and 1 teacher and had a lot of help which was great.
 - **Indoor/outdoor lighting** - Mike Dalenbach will work on this as it was confirmed the pole is the clubs. We want just on same pole and put a new LED light. John Schepp would like to make a motion we send up to \$500.00 to fix the light fixture, seconded by Tim Woller. Motion carried

January 2022 Traditional Shoot at RMB

We had a good January 8 & 9, 2022 Traditional Shoot, recurves or long bows or self bows, at our club. This shoot has only been canceled due to Covid in 2020. The first Traditional Only Shoot was in 1992 and for the development of the Wisconsin Traditional Archers and George Henrich Sr. He is a member of our club and one of the co-founders of the Wisconsin Traditional Archers.

There are still at least 19 Traditional Only Shoots for 2022 and most are those are mini-rendezvous with not just archery, but camping out and sharing of food around campsites and refreshments. Rib Mountain Bowmen has one of those in August and you will see the parking/camping area totally full with RV's. Travel trailers or tent campers with vehicles parked up the road. Come out and see the fun in archery and we do offer traditional equipment to use for the day and there is always a few to help out.

Our January 2022 shoot turned in \$909.00 to the club and we always have 14-3D targets outdoors and 14-3D targets indoors. Since the time I have chaired or co-chaired the shoot we have had -23° temperatures and then some three feet of snow. Traditional Archers always turn out. This year we have another outdoor shoot added at the Horicon Marsh Bowmen for January 22 and then the Janesville Bowmen hold a Chili Shoot on March 5. Last year Janesville registration topped out at 99.

A big thank you for those club volunteers and one non-member to help set up the outside and inside course; to serve the food for the two days; to tear down the outside course and to initially walk around the course, some four times, with snowshoes. Those volunteers are (sorry if I missed anyone): Mike Drenghler, Harry; Andy Sims, George Henrich Sr., Tom Stieber, Melissa Keller (non-member), Tom Coldstad, Dale Klug, Hinty Hinterleitner, Doug Curler; Sonja and Steve Gasper (for the smoked shredded pork).

Thanks to Rib Mountain Bowmen for the land and terrain for shoot archers around the state look forward to. They came from Madison area, Minneapolis, and the Upper Peninsula.

Thanks,
Doug Curler
