[Help Spread the Word About RMB](#)

It's often said that Rib Mountain Bowmen is Central Wisconsin's best kept secret. The majority of archers and bowhunters in the area are unaware of us and the fantastic facility that we have. If we want to grow the membership, which is necessary if we intend to remodel or rebuild, we have to let others know about us. Two of our members just made it easier to do that. Ron Hoppe saw to it that RMB has some great "advertising" materials featuring our classic logo. There is a large, colorful bumper sticker for EVERY vehicle that you own; a round, vinyl sticker for your car, ATV, coffee mug, bow case, water jug, etc.; a handsome, enameled pin for your cap, quiver or lapel; and a bright, new embroidered cloth patch for your back pack and clothing. Hopefully, these items will serve as conversation starters regarding our club. Once you have their attention, offer them an attractive brochure containing complete information regarding RMB, compiled and designed by Frank Copenhaver. (Be sure to have two or three of these in your glove compartment and bow case at ALL times!) **LET'S ALL SPREAD THE WORD !!!**
