Please let the new editor if anyone has been forgotten.

- Building committee - No updates
- Raffle - All guns are in per Frank should he get the tickets printed for gun raffle and money raffle as we did last year and will print for cash raffle
- Club advertising - bumper sticker design is still being worked on and is not finalized. Ron has placed order for pins and patches.
- Septic system - Paul Shore filed the report
- Frank brochure review. He wants to thank Paul Shore for his input on the brochure. Frank did a very good job on getting this created. The prices for printing from Roto Graphic 250 = \$255.00 and if 500 = \$360.00 1000 = \$420.00. We need to take to businesses that maybe they could be distributed and into the public. Tom said maybe Chase outdoors or any place with archery equipment or outdoor sportsmen. There are no dates and no names so these could be carried over years. Paul made motion to order 1000 Stacey 2nd.
- Paul Shore said he will research on getting adopt a highway sign

New Business:

- Tom supplied the dates to the WBH for our ad
- Tom Bartz will order the with Roto Graphics for the calendar and see if he can get a deal on the price.
- Toys for Tots cancelled

The WBH Magazine lets you know where archery shoots held in Wisconsin.

If it was not for the WBH, **YOU would not be able to enjoy**, our liberal archery season.

Join the WBH, applications are at our clubhouse.

Are we ready with personnel for membership sales? Ross was not at the meeting tonight we will need to in December discuss.

Do we hold a board meeting in December? will have a meeting with a small agenda and Frank Copenhaver should have the tickets so they can be dispersed to sell. Marcell Wieloch will be taking care of the tickets again for the raffle party. If anyone wants tickets, contact Marcell.

Paul Shore got the 2019 for arrow award this is our plaque for the club. Does the animal need to score the minimum requirements? Some hunters may not want it in the Pope & Young books. Tom Bartz & Liz suggested we change the name to the Pope & Young Qualifiers. Paul said this decided 3 years ago that it was indicated it would be up to the person.

Mike Dellenbach- Said we need to make decision on the building committee and or maybe for this year to purchase a tractor so we can do more work in the woods to start making improvements. Also, he brought up about the floor and should we make those updates? It was discussed that right now with COVID will affect being able to meet and possibly membership. We do want to update the club just may be delayed. Frank has talked to Dan Bowen and the last 3 years membership has declined. We are hoping with advertisement and some events outdoors and having the course set up in the woods we could increase membership for 2021.

Tony Heil suggested if we get a short course set up by the club as Aaron Copenhaver has suggested in past, so maybe could also shoot outside, something to think about.

Paul Shore makes a motion if members come to the board meeting and earn hours if not a board member? Maybe we should give them 1 hour. Paul Schliepp 2nd. Motion carried.

Liz Woodward - brought up the Rib Mountain Bowmen website calendar someone with the email address Brokawribmountainbowmen@gmail.com added the Toys for Tots on 12/27/20 (event was cancelled we need this removed) does know who controls this email address? We need to contact them so Liz can control get the calendar and have this event remove from the calendar. Please contact Liz Woodward if anyone has information.

The Facebook the Rib Mountain Bowmen, Inc. Facebook PAGE is up and running. If anyone has pictures for brag board, please send to Liz Woodward so she can post on the brag board. Erin Witucki sent the below information to clarify the new Facebook page.

The new PAGE, this is what has been added – we used the name “Rib Mountain Bowmen, Inc.” since we had to pick a name different than the original. Eventually...if we run this long enough and get people to join – we should be able to absorb that other original page and get rid of it so it isn't confusing. This currently has 100 members. Benefits to the PAGE vs GROUP and why it is important to have the page – the page/business can be tagged, as you can see today – HHAUSA tagged us in a post, in that post people can click on the link and it will take them direct to our page. That feature was unavailable with the group and the biggest issue with it. The page/business can create events – like board meetings, raffle party, shoots and someone can easily access those through the page. This page now had multiple admin (Ross, myself, Liz), if anyone else wants to be an admin Ross can add you – when you visit the page, you then post as “Rib Mountain Bowmen, Inc.” rather than yourself.

Ideally – we would like to get everyone that liked those other pages to also ‘like’ this page. We have some work to do to meet that goal. What the members can do to make this happen?... (you can ignore this next part if you aren't a Facebook person!)

- Post to the page, keep it active and interesting
- Like/share posts from the page to your personal page
- Tag the page in your hunting and archery posts - @ribmountainbowmen
- Invite your friends to the page
- Respond to the events, even if you don't plan on attending – respond as ‘interested’.
- Something to maybe discuss at the board meeting, a lot of business' grow their FB ‘likes’ by doing a drawing. In order to get entry into the drawing, someone has to ‘like’ our page and share it (requiring them to

Board Meeting continued from page 3

also tag 2 people) – anyone that does those things gets entered in a drawing. The people they tag often times then visit the page and do the same and tag more people – you can expand your reach exponentially by doing this. We could give away a membership or one of the gift certificates we have from the raffle or buy a gift certificate. It is a good way to get people to increase the likes pretty easily.

- The more we all interact with the page – the more it will start popping up in other people’s newsfeeds and tempt them to click on it to see what is happening.
- ‘Check-In’ when at the club....we have been working on getting this feature up and running so right from the page you would be able to check-in. Another way to do so would be to post a status and hit the location button to ‘check-in’ and then start typing Rib Mountain Bowmen, Inc. and it should pop up and you should be able to check-in. Great to do this when you are attending board meetings, league nights, work parties, shoots.

Aaron Coppenhaver we did have the work party 9/10/20 to get the wood that was cut out of the woods. Stacey Teske, Barb Teske, Marissa Graveen, Mike Dellenblach, Brad Block, Aaron Coppenhaver and Paul Schliepp. We were able to get most of this up and behind the wood shack.

Paul Schliepp wanted to thank all veterans and servicemen for their service.

Upcoming events - Next board meeting: December 8,2020, all members welcome.

Stacey Teske made motion to adjourn Marissa Graveen seconded. Motion carried

Website Editor

As of Friday, September 18, 2020; Liz Woodward will be handling all updates/maintenance for our website a: www.ribmountainbowmen.com

Please direct any concerns to her.

Thanks

It has been a good run but this will be the last issue that I will do and give it up to new directions. Some five years ago I was lucky to keep the *Bowbunk* going and all issues were posted on our website. The website came about the same time and was kept current.

Since we all found out about changes through the board meeting minutes it is just as appropriate for the changing over of the

Bowbunk through this vehicle.

The *Bowbunk* is the main means of communications to all members and I know it will continue to soar.

Thanks again,
Doug Curler
