A motion was made by Lindsay Kalenske to move forward with this purchase, seconded by Stacey Teske, motion carried.

Septic system - need report filed! Second notice rec'd - Tom Barth received another post card from the county. Paul Shore will call and check on this.

New Business:

Winter leagues - do we have them w/ Covid ? John Schepp asked the board to think about if we have the leagues due to COVID. Lindsey Kalenske suggested we plan as though we will have it. Mike Dellenbach suggested we maybe have a paper target season versus with brush etc.. A final decision will be made in December based on the COVID, possibly delay. Stay posted for more on this. If any members have any ideas please reach out to the chairs of the winter leagues.

What does the raffle party look like? Guns and Cash? We will proceed with the gun and cash and not do the 3rd raffle, as that is mostly with restaurants and meat markets, so most likely would be hard to get donations due to the hard hit this year with COVID. Maybe move the date to May. Frank Copenhaver will be able to get the guns. Frank Copenhaver has the side raffle guns from last year.

Who do we want designated as the main contact(s) for new member inquiries?

Membership questions - Ross Witucki ph#715-218-9916 email address rmbmembership@yahoo.com and John Schepp 715-393-5270 if Ross or John need help on getting with the

General questions - Lindsey said this should always be the vice president then from there he can either handle or ask for someone else to take. Barb will set up a group chat in text for these kinds of delegations so versus in email to all we can quickly decide who will handle.

Barb Teske will set up a group text chat for board members and membership chair if assistance is needed with email questions. This way we can react quickly on giving assistance.

Liz Woodward will add the board members email addresses on the website as well.

Ross Witucki will work to take ownership of Facebook page so we have more control over this page and advertise as well outside of the group for events as well.

Please congratulate Liz on taking over the website! Liz Woodward has been working on making updates and the website is still under construction. If you have not checked it out please do so its looking great. We are hoping this draws more members and makes becoming a new member easier. There is information on upcoming events and new updated pictures. She is also is creating a section for an online 2020 brag board.

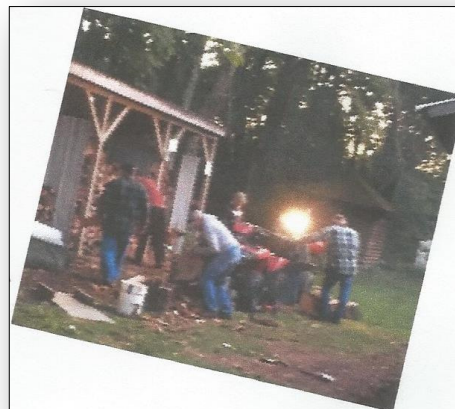

Snowmobile club has been granted access to cross the property. The snowmobile club gave a 25.00 voucher. Tom Bartz may need to pick a winner for that as the expiration date will be extended.

Ross Witucki building issues- He set the heat to 65 across the board and off the newer wood so all take the oldest wood first. Frank Copenhaver said the wood to the west is the oldest. The exit sign by the door is coming down. Some lights need to be replaced. The overhead cabinet is coming down above sink. We may need to get more mouse traps.

Board Meeting continued from page 3

Reminder Monthly - Paper and cardboard targets need to only go in the recycle bin and do not get burned in the fireplace.

Wood work party update from 9/10/20 - Aaron Copenhaver wood work party we had a great turnout and would like to make this a monthly event for different projects needed. Also, maybe decide on getting a wood cutter for the club. Plan on repairing bridges on the course in the spring.

Wood work party #2 Aaron Copenhaver - this is planned for 10/21/20 5:30 PM CST to get the wood that is cut in woods up and behind wood shed. Please come out and help. If anyone has 4 wheelers and small trailers to get wood up to club would be much appreciated.

Motion to adjourn Frank Copenhaver and 2nd by Paul Schlepp motion carried.
