We Can.

DESIGN. BUILD. DELIVER.

WB Manufacturing can **design *Innovative and Quality Room Solutions*** to meet your environments. Choose from our vast array of furniture and cabinet standards or talk directly to our in-house Design Team to customize products to fit your space.

We can **build** it. With over 200 skilled workforce professionals in our plant in Thorp, WI, WB Manufacturing can build what you need when you need it. At WB, we use quality materials and processes to ensure affordable, durable, long-lasting products backed by a comprehensive warranty.

We can **deliver**. Yes, we can facilitate timely, affordable shipment of your products, but we can also "deliver." Deliver the best product, the best customer service and the best solutions for what we hope is the best experience one can have when fulfilling educational, office, health care and industrial needs.

At WB Manufacturing... **We Can.**

have questions?
need information

Call us:
800.242.2303

Customer Service is available 7:30 am - 4:30 pm CST Monday through Friday. We are available to assist you during the planning stage, during the installation and after the clean-up.

Visit our website
wibenchmfg.com

You'll find product specifications and brochures, images and installation gallery, products for specific vertical and horizontal applications and more on our updated website.

Submit a design request, quote request, or purchase order:
info@wibenchmfg.com

Our Design, Engineering, Project Management and Estimating Teams can assist with room layout and project elevation drawings.

Freight Class

Freight classes follow the annually established National Motor Freight Classifications. In some cases, freight classes may change from the date of publication. If you have questions on freight classes, please contact Customer Service at 800.242.2303.

Purchase Order Requirements

We are requesting the following information on every incoming purchase order so that we may speed up our order entry process and avoid delays or misinterpretations on your order.

Purchase Order #
Contact Name, Email and Phone Number
- Answers questions regarding purchase order and sending acknowledgments

Ship to Address
Preferred Freight Carrier and Terms
- Indicate collect or 3rd party with bill to address
- WB will select Prepaid & Add Terms and Freight Carrier if preferred is not specified

Ship Date
Quote # *(provided by WB Manufacturing on all quotes)*
Attach Drawings *(if needed)*
- DXF file preferred

Dimensions *(width x length x thickness)*
Detailed Description
- Product Model # and Name
- Edge Type and/or Color
  - 3mm, Lotz Armor Edge™, .5mm" PVC, HPL
  - WB Manufacturing will select standard unless otherwise specified
- Leg Type: include two or three digit leg type extension, if noted as such in pricelist
- Specify Core Material and Edge Profile (if applicable)

Standard HPL or TFL Laminate Colors
- Stock laminate colors to include WB in front of name (i.e. WB Grey or Stock)
- Non-stock laminate colors must include:
  - vendor name
  - laminate color name
  - color
  - finish

Quantity Per Line Item
Price Per Line Item
Special Packaging Requirements
Special Services Needed
- Examples: lift gate, inside delivery, etc.

Examples:

ELS7601-FXG4-MD-CA
ELO® Adapt XL Desk with black beveled Lotz Armor Edge™ with smooth silver fixed legs, Blueberry Hill laminate and casters

LOB9070-ADJ09-BPH
24 x 54 x 1.75 LOBO Table with Hardwood top, black adjustable legs/frame and backpack hooks

CLW7253-363636-AC-A41-CV/T
Urban Edge XL Collaborative Workstation with 36" height, casters, black beveled Lotz Armor Edge™ top with Ocean laminate and Folkstone TFL base

SS5000-3660-5AC-FV/T
36 x 60 x 23 Transporter with Honey Maple TFL and matching edge banding

Non-Standard Service Fees

In some cases, extra fees may apply to your order that are not indicated on the individual pricing pages.
Contact your WB Manufacturing Project Manager or Estimating Team for applicable fees:

Our Design

Your Reality

We Can.

DESIGN. BUILD. DELIVER.

Lotz Armor Edge™

Lotz Armor Edge™

Virtually Indestructible

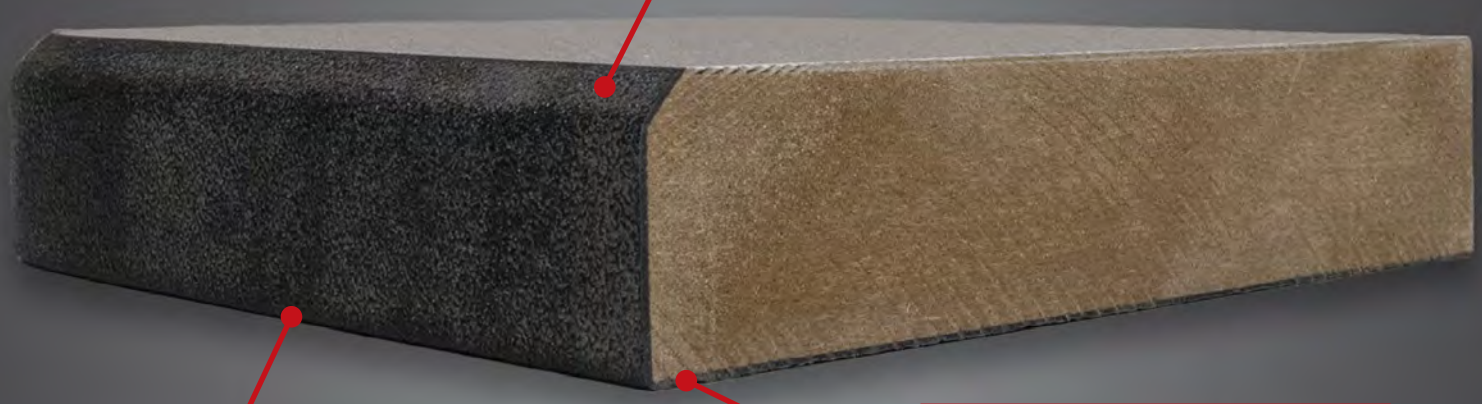

- Perfect for table tops, benches, and stools
- Easy clean-up from spills
- Withstands steam cleaning when needed
- Strong enough for everyday abuse
- Available on all shaped tops

Increased Focus

In today's day and age of increased focus on sanitation and disinfection protocols, the sealed edge of our Lotz Armor Edge™ tops prevents bacteria from forming in uncleanable areas such as cracks and seams. WB is here to help you in these changing times and we can prepare you for everything coming our way!

No Separation Edge!

- Lotz AE™ is sprayed directly on the core
- Edge will not separate from the core
- Provides a water tight barrier resistant to bacteria and moisture
- The most hygienic top on the market
- Perfect for increased sanitation efforts

Color Options

Standard Lotz Armor Edge™ Colors

Black (Default)	-S04 Dove Grey	-S05 Slate Grey	-S03 Indigo

NEW **Premium Lotz Armor Edge™ Colors**

-S25 Blue	-S23 Purple	-S22 Red
-S26 Orange	-S24 Green	

Anti-Gum Phenolic Backer

Anti-Gum Phenolic Backer

- Lotz AE™ tops have hygienic phenolic backing. (Other companies use porous paper that traps bacteria)
- Prevents moisture penetration
- Provides an anti-gum surface

WHY?

Why combine ELO® Desks with Tote Storage Cabinets?

Multiple Uses for Every Day Classrooms

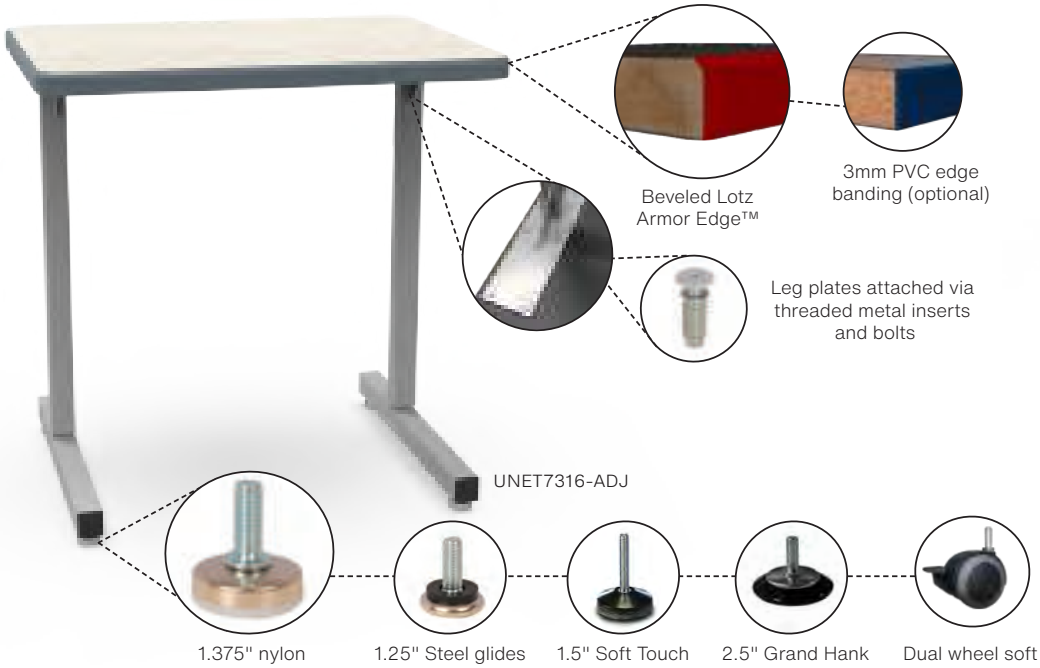

- Tote trays can be used in tote storage cabinets or on furniture, making the totes interchangeable.
- Students can take totes to the desk when class starts and return them to the cabinet when class ends.
- See page 19 for ELO® Desks that are available with totes.

Iowa Schools

UNE-T Desks

Beveled Lotz Armor Edge™

3mm PVC edge banding (optional)

Leg plates attached via threaded metal inserts and bolts

UNET7316-ADJ

Angled Front View

Angled Back View

1.375" nylon glides (standard)

1.25" Steel glides (optional)

1.5" Soft Touch glides (optional)

2.5" Grand Hank glides (optional)

Dual wheel soft tread locking casters, raises height 2.11" (optional)

Black Lotz Armor Edge™ Footrest (see following pages for eligible models)

UNE-T Desk Overview

Legs Overview: 1.5" square, 14-gauge steel tube with a 10-gauge mounting plate and a 1.25" x 14-gauge square steel tube insert, smooth silver or textured black finish, non-marring nylon glides

(UNET) Legs: **-ADJ:** Adjustable legs, overall height is 27.25" - 39.25" in 1" increments
-EJA: Jr. adjustable legs, overall height is 20.25" - 32.25" in 1" increments

Laminate Top: 1.25" high pressure laminate (HPL) with phenolic backer, radius corners

Top Edge Type: Beveled Lotz Armor Edge™ (standard) or WB Standard 3mm PVC edge banding† (optional)

Finish: Choice of WB standard high pressure laminate (HPL) (check availability of non-standard colors, minimum order may apply)

Power: Modules for power and media (optional on most desks)

Options: Custom sizes, non-WB standard laminate, markerboard top (-__MB), non-standard edge band, dual wheel soft tread locking casters (raises height approx. 2.11", installed onsite by others & is NOT a leveling device), Soft Touch glide, 2.5" Grand Hank glide (standard when ordering a foot rest), foot rest (only available with black Lotz Armor Edge™ and includes 2.5" Grand Hank glides, see following pages for eligible models), steel glides, wheelbarrow option, tote tray kit (can interchange with tote storage units. Clear totes are standard), metal book boxes (-ADJ legs only, smooth silver or black), plastic book box (-ADJ legs only, charcoal only) (coming in summer of 2022), wire basket (-ADJ legs only, smooth silver only), 2" backpack hook (10-gauge, attached via threaded metal inserts and bolts) & Premium Lotz AE™ colors: blue, purple, red, orange, green

†3mm PVC edge banding is matching, unless otherwise specified. Complementary color available upon request. See page 406.

Study Carrel & Information Kiosk

Adder units (-AD) create semi-custom units or can be used when adding onto existing units.

Study Carrel and Information Kiosk Overview

Panels: 1" double sided high pressure laminate (HPL), 1 grommet per panel, leveling glides on left and right side panels

Surface: 1.25" HPL with phenolic backer, 34"W x 24"D, 1 grommet, 34" metal wire management

Top/Panel Edge Type: Radius Lotz Armor Edge™ (standard) or WB standard 3mm PVC edge banding† (optional)

Finish: Choice of WB standard high pressure laminate (HPL) (check availability of non-standard colors, minimum order may apply)

Options: Non-WB standard laminate, non-standard edge band, power modules, custom sizes, grommets, Premium Lotz AE™ colors: blue, purple, red, orange, green

†3mm PVC edge banding is matching, unless otherwise specified. Complementary color available upon request. See page 406.

NOTE: Adder units require a starter kit since it ships with only 1 end panel.

Additional Options	List $
Premium Lotz AE™ colors: blue **(-S25)**, purple **(-S23)**, red **(-S22)**, orange **(-S26)**, green **(-S24)**	16

EPIC Tables

3" heavy duty locking casters

3" heavy duty locking colored casters(optional)

EPIC Table Overview

Frame Overview: 16-gauge heavy duty steel frame and legs with 10-gauge mounting plates, fixed heights with smooth silver or textured black finished frame, and 3" heavy duty locking casters (casters installed onsite by others and are NOT to be used as leveling devices).

Laminate Top: 1.25" high pressure laminate (HPL) with phenolic backer, radius corners, for overall heights visit corresponding page

Top Edge Type: Beveled Lotz Armor Edge™ (standard) or WB standard 3mm PVC edge banding† (optional)

Laminate Finish: Choice of WB standard high pressure laminate (HPL) (check availability of non-standard colors, minimum order may apply)

Hardwood Top: 1.75" thick face-glued hardwood strips with 0.125" radius edge and clear catalyzed lacquer finish 2 coats top, 1 coat bottom, for overall heights visit corresponding page

Phenolic Tops: 1" phenolic resin with 0.125" radius edge, for overall heights visit corresponding page

Stainless Top: 16-gauge 304 stainless steel with particle board core, 1.625" thick, wrapped and welded all corners with Safety J edge, phenolic backer, for overall heights visit corresponding page

Options: Non-WB standard laminate, black chemical resistant top (-09C) or markerboard top (-__MB), grommet (n/a on stainless steel), Premium frame colors: blue, green, orange, purple and red, 2" backpack hook (10-gauge, attached via threaded metal inserts and bolts), 3" heavy duty colored locking casters (colors available are: black, blue, grey, lime green, orange, purple & red; casters installed onsite by others and are NOT to be used as leveling devices), connecting magnets for HangOut Stools, non-standard edge band, power supply modules, 12"H laminate modesty panel (.75 double sided laminate, 3mm PVC†), 9"H perforated metal modesty panel & Premium Lotz AE™ colors: blue, purple, red, orange, green

†3mm PVC edge banding is matching, unless otherwise specified. Complementary color available upon request. See page 406.

See pages 156 - 157 for our New Turnkey Science Room with EPIC Tables

Important Information

- **Casters installed onsite by others and are NOT to be used as leveling devices.**

NEW

Lecture View

Turnkey Science Room List

- Fixed Casework with Epoxy Countertop
- EPIC Tables w/ Phenolic Top
- Overhead Electrical
- HangOut Stools
- Sinks & Fixtures
- Fume Hoods
- Drying Rack
- Eyewash
- Safety Shower

We developed a Turnkey Science Room to make life easier. This room allows for schools to have lecture and lab, all in one place. By adding phenolic to mobile tables, we are giving you a table that can be used any time and anywhere in the room. Our HangOut Stools make moving from lecture to lab even easier, by magnet docking to your table, and staying off the floor. Overhead electrical means students can plug in computers during lecture and plug in other devices during lab. Every aspect in our Turnkey Science Room List is crucial to meeting the needs of today's learning. No matter the grade level, **We Can. Design. Build. Deliver.**

Pricing and specifications are subject to change. Please refer to our catalog on the website for the most up-to-date information. Product images are for illustrative purposes only and may differ from the actual product.

LOBO Tables

LOBO Table Overview

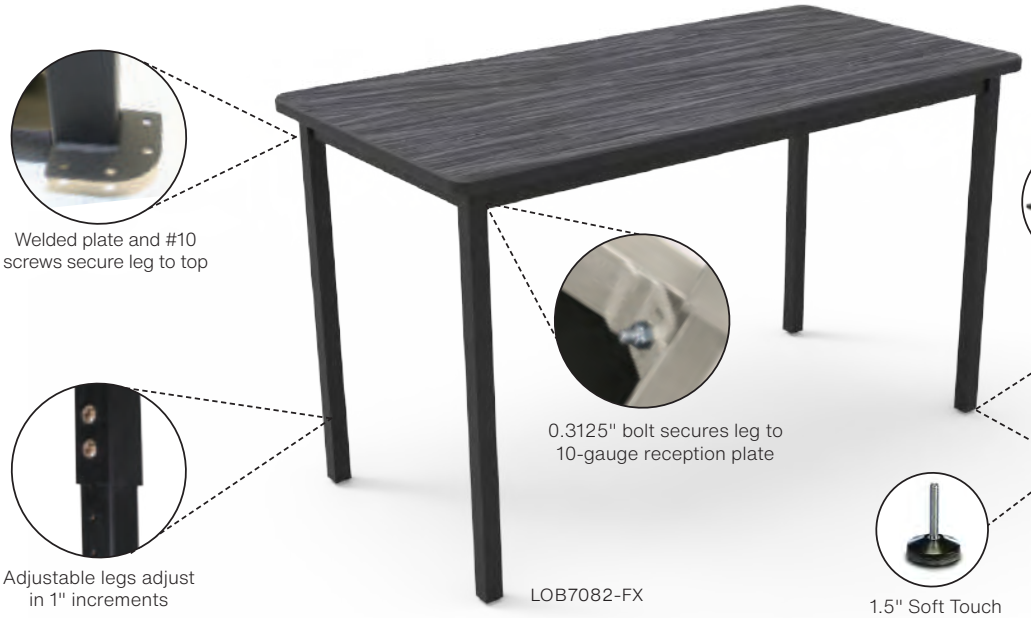

Frame:	Fully welded 16-gauge 1" x 2" heavy duty steel apron with bolt-on legs, choice of textured black or smooth silver frame and legs except (-ABP) 2" Big Paw square tube, **smooth silver n/a.**
Fixed Legs:	**-FX:** 14-gauge, 1.5" square steel tube, nylon glides, for overall height visit corresponding page
Adj Legs:	**-ADJ:** 14-gauge 1.5" square steel tube, nylon glides, for overall height visit corresponding page **-ALR:** 14-gauge 2" round steel tube, nylon glides, for overall height visit corresponding page **-ABP:** 14-gauge 2" Big Paw square tube, nylon glides, for overall height visit corresponding page (height adjusts in 1" increments)
Laminate Top:	1.25" high pressure laminate (HPL) with phenolic backer, radius corners
Laminate Top Edge Type:	Beveled Lotz Armor Edge™ (standard) or WB standard 3mm PVC edge banding† (optional)
Laminate Finish:	Choice of WB standard high pressure laminate (HPL) (check availability of non-standard colors, minimum order may apply)
Lab Tops:	1" phenolic resin with 0.125" radius edge and corners or 1" epoxy resin with beveled edge and corners.
Hardwood Butcher Block Top:	1.75" face-glued hardwood strips with 0.125" radius edge and clear catalyzed lacquer finish 2 coats top, 1 coat bottom
Stainless Top:	16-gauge 304 stainless steel with particle board core, 1.625" thick, wrapped and welded all corners with safety return, phenolic backer
Options:	Non-WB standard laminate, black chemical resistant top (-09C) or markerboard top (-__MB), metal wire management (rectangle tables only), grommet (n/a on stainless steel or epoxy), custom sizes, dual wheel soft tread locking casters* (casters raise height by 2.11"), 3" heavy duty locking casters* & 3" heavy duty colored locking casters*(casters raise height by 3.5" & colors available are: blue, grey, lime green, orange, purple & red), wheelbarrow option (available on dual wheel soft tread locking casters, 3" heavy duty locking casters, & 3" heavy duty colored locking casters, N/A on fixed legs or Epoxy tables), Soft Touch glides, steel glides, 2.5" Grand Hank glides, backpack hooks (12-gauge, set of 2, attached via threaded metal inserts and bolts), power supply modules (N/A on Epoxy tops), one piece bolt-on corner gusset kit** (n/a on shaped tables excluding rounds, standard on all Hardwood top tables), tote tray kit w/ 3" drop (can interchange with tote storage unit. Clear totes are standard.) & Premium Lotz AE™ colors: blue, purple, red, orange, & green *Casters installed onsite by others and are NOT to be used as leveling devices and N/A on Epoxy tables. **Corner gusset kit: Recommended for all tables with caster option, table size exceeds 30" x 72" or intended table use height is greater than 31" for increased stability. Standard on all Hardwood top tables.

†3mm PVC edge banding is matching, unless otherwise specified. Complementary color available upon request. See page 406.

LOBO tables have passed BIFMA testing.

Important Information

- **Corner gusset kit: Recommended for all LOBO tables with casters, if table size exceeds 30" x 72" or the height for intended use is greater than 31". Kits are not available on any shaped tables excluding rounds.**
- **When casters are added to LOBO fixed legs, the work surface height increases. It is recommended to add casters to adjustable legs to offset for the overall increased height.**
- **Casters installed onsite by others and are NOT to be used as leveling devices.**

TORO Tables

TORO Table Overview

Blue, **green**, **orange**, **purple**, **red** frames are available on any TORO fixed height table.

Frame:	Fully welded 16-gauge 1" x 2" heavy duty steel apron, legs fully welded to apron, choice of textured black or smooth silver frame and legs, and optional H-frame.
Shelf:	Optional full or half shelf. Steel shelf is painted the same color as the legs.
Fixed Legs:	**-FX:** 1.5" square, steel tube, nylon glides, for overall height visit corresponding page **-FXR:** 2" round, steel tube, nylon glides, for overall height visit corresponding page
Adjustable Legs:	**-ADJ:** 1.5" square, steel tube, nylon glides, for overall height visit corresponding page **-ALR:** 2" round, steel tube, nylon glides, for overall height visit corresponding page (height in 1" increments)
Laminate Top:	1.25" high pressure laminate (HPL) with phenolic backer, radius corners
Laminate Top Edge Type:	Beveled Lotz Armor Edge™ (standard) or WB standard 3mm PVC edge banding† (optional)
Laminate Finish:	Choice of WB standard high pressure laminate (HPL) (check availability of non-standard colors, minimum order may apply)
Lab Tops:	1" phenolic resin with 0.125" radius edge and corners or 1" epoxy resin with beveled edge and corners.
Hardwood Butcher Block Top:	1.75" face-glued hardwood strips with 0.125" radius edge and clear catalyzed lacquer finish 2 coats top, 1 coat bottom
Stainless Top:	16-gauge 304 stainless steel with particle board core, 1.625" thick, wrapped and welded all corners with Safety J edge, phenolic backer
Options:	Non-WB standard laminate, black chemical resistant top (-09C) or markerboard top (-__MB), dual wheel soft tread locking casters* (caster raise height by 2.11"), 3" heavy duty locking casters* (standard optional caster, casters raise height by 3.5"), 3" heavy duty colored locking casters* (casters raise height by 3.5" & colors available are: black, blue, grey, lime green, orange, purple & red), wheelbarrow option (available on dual wheel soft tread locking casters, 3" heavy duty locking casters, & 3" heavy duty colored locking casters, N/A on fixed legs or Epoxy tables), steel glides, 2.5" Grand Hank glides, Soft Touch glides, full or half shelf, H-frame, backpack hooks (12-gauge, set of 2, attached via threaded metal inserts and bolts), power supply modules (N/A on Epoxy tops), metal wire management (rectangle tables only), grommet (n/a on stainless steel or epoxy), custom sizes, welded-on corner gussets** (n/a on shaped tables excluding rounds), Premium frame colors only on fixed (blue, green, orange, purple, & red), custom heights, tote tray kit w/ 3" drop (can interchange with tote storage unit. Clear totes are standard.) & Premium Lotz AE™ colors: blue, purple, red, orange, & green *Casters installed onsite by others and are NOT to be used as leveling devices and are N/A on Epoxy tops. **Corner gusset kit: Recommended for all tables with caster option, table size exceeds 30" x 72" or intended table use height is greater than 31" for increased stability.

†3mm PVC edge banding is matching, unless otherwise specified. Complementary color available upon request. See page 406.

Ingenuity Tables

Any side rail can be installed up or down to meet everyone's needs.

Ingenuity Table Overview

Laminate Worksurface: 1.25" high pressure laminate (HPL) with phenolic backer, complimentary matching thin PVC

Rails: Double sided high pressure laminate (HPL) matching laminate worksurface, 5" railings, WB standard 3mm PVC edge banding†, rails secured to laminate worksurface via joint connector bolts

ELP & ELS Legs: 14-gauge steel tube with a 10-gauge mounting plate, 2" Straight Round (ELP & ELS) x 14-gauge insert

(ELP) 2" Straight Round Pin Legs:
-ADJ: Adjustable legs, worksurface height is 26.25" - 40.25" in 1" increments, smooth silver (textured black N/A), non-marring glides
-EJA: Jr. adjustable legs, overall height is 20.25" - 30.25" in 1" increments, smooth silver(textured black N/A), non-marring glides

(ELS) 2" Straight Round Legs:
-ADJ: Adjustable legs, worksurface height is 26.25" - 41.25" in 1" increments, smooth silver or textured black, non-marring glides
-EJA: Jr. adjustable legs, overall height is 21.25" - 34.25" in 1" increments, smooth silver or textured black, non-marring glides
-FX: Fixed legs, worksurface height is 29.36", smooth silver (textured black N/A), Grand Hank glides
-MJA: Mini Jr. Adjustable legs, overall height is 12" - 19" in 1" incr., smooth silver(textured black N/A), Grand Hank glides

LOBO Frame: Fully welded 16-gauge 1" x 2" heavy duty steel apron with bolt-on legs

LOBO Legs: **-ADJ:** 14-gauge, 1.5" adjustable square steel tube, nylon glides, worksurface height is 23.5" - 37.5", smooth silver or textured black

EPIC Frame: 16-gauge heavy duty steel frame and legs with 10-gauge mounting plates, fixed heights with smooth silver or textured black finish and 3" heavy duty locking casters (Casters installed onsite by others and are NOT to be used as leveling devices.). For worksurface and overall height, visit corresponding page.

†3mm PVC edge banding is matching, unless otherwise specified. Complementary color available upon request. See page 406.

An Investment That Pays Back

WB Mfg.'s REplay® Cabinets are designed so schools receive a good return on investment. Constructed with sub-top and sub-bottom for durability and longevity, and equipped with levelers, hidden casters, or regular casters for easy mobility, REplay® can be used anytime, anywhere. As shown in the two images, casters allow REplay® Cabinets to easily roll from one room to another, which is a great feature to have, because it allows schools to reuse and repurpose existing cabinets instead of having to purchase new, simply due to changing room structure.

Imagine, if due to school construction, you had to purchase all new cabinets, because they were fixed to the wall and couldn't be replaced. Now imagine if you DIDN'T have to replace all those cabinets. REplay® seems like the clear choice.

Roll cabinets from room to room!

(cabinets are NOT for outdoor use)

Straight Bookcase Quantity FAQ

Q. How many books can WB Mfg. straight bookcases hold?
When determining how many books a bookcase can hold, there are multiple factors to consider:
1. # of shelves per bookcase
2. Width of each book
3. Final dimensions

The following is an example of how to determine the amount of books that a 36"W x 48"H bookcase can hold.
1. A 48"H bookcase includes three levels for storing books; one base area and two adjustable shelves.
2. For this example we will say each book is 1"W
3. The amount of space for books is 34". Bookcase sides and shelf clips take up a total of 2"

A. Any 36"W bookcase with three levels, can hold approximately 102 books that measure 1"W.

Common Volume collection estimates on a bookcase that measures 36"W x 48"H

Types of Volumes	*# of Volumes Per Linear Ft.*	*# of Volumes Per Row*	*# of Volumes Total*	*# of 36" bookcases needed for 5,000 Volumes*
Juvenile	10 to 12	28 to 34	84 to 102	49 to 69
Fiction / Non-Fiction / Economics /	8	22	66	75
General Literature / History / Art / Microfilm	7	19	57	87
Reference / Technical & Scientific	6	17	51	98
Law / Medical / Bound Periodicals / Public Documents	5	14	42	119
DVD's	18	51	153	32
CD-Roms	27	76	228	22

Guide To Choosing Your Finish

Classic

- Double sided thermal fused laminate (TFL) applied to all surfaces of cabinets.
- White thermal fused laminate (TFL) on drawer boxes.

Premium

- Decorative high pressure laminate (HPL) on exposed surfaces.
- Door and drawer fronts
- Wall cabinet bottoms
- Interiors with sliding doors
- Finished ends (as needed)
- Open interiors
- Interiors behind glass doors.
- **If cabinet is open or has glass doors, cabinet box is white HPL liner. If cabinet has doors, cabinet box is white thermal fused laminate (TFL).***
- White thermal fused laminate (TFL) on drawer boxes.

***Cabinet box**
see premium description

*Open units, sliding door units and units with glass doors have matching interior finish.

Worksurfaces

Butcher Block Overview

Butcher Block is not recommended in areas with high exposure to moisture, such as sink locations, this will void MFG Warranty.

Material: Face-glued hardwood strips

Finish: Catalyzed clear lacquer, 2 coats top, 1 coat bottom (standard), mineral oiled, linseed oiled, or unfinished

Edge: 0.125" eased edge (standard),
0.375" radius edge, square or bullnose edge (optional)

Thickness: 1.25", 1.5", 1.75" (standard),
or 2.25" available (2.25" must be maple).
Bullnose edge not available on 2.25".

Sizes: Up to 36"D x 96"L

Power: Interchangeable modules for power and media (only fit on certain top options)

Options: Face-glued maple or hard maple strips, 1" backsplash

Hardwood
(eased edge)
(standard)

Bullnose
Front Edge

-BN

Radius Edge

-RA

WB Manufacturing LLC

green

WB's Focus is to Exceed in Green Initiatives

WB Manufacturing, a manufacturer of custom work surfaces, tables, furniture and casework, has adopted a green operations initiative that values environmentally responsible practices in manufacturing and operations of its facility.

WB Manufacturing incorporated a broad range program affecting everything from materials that go into its products to its standards on the manufacturing floor. "The process to go green involved reviewing all areas of the business," said Steve Burgess, President.

Energy consumption is a major expense for the organization, but WB Manufacturing found that with a few simple changes from energy efficient lights on the 200,000 square foot plant to motion sensor light switches in the office area resulted in reduced usage by 54% and significantly lower energy bills. WB Manufacturing also voluntarily participates in the peak load lighting conservation program with the local utility company.

Recycling has always been a standard business practice from using recycled paper in the office equipment and recycled corrugated cardboard for packaging to recycling aluminum cans and plastics. WB Manufacturing even recycles the salvage particle board and MDF scraps using a dedicated shredder to create small bedding particles for local farms.

As part of our green manufacturing focus, WB Manufacturing routinely acquires products like particle board and medium density fiberboard (MDF) with No Added Formaldehyde (NAF), Ultra Low-Emitting Formaldehyde (ULEF) in addition to standard industrial grade particle board, medium and thin density fiberboard and plywood used in our products that is both California Air Resource Board (CARB) Phase 2 and Environmental Protection Agency (EPA) TSCA Title VI compliant. WB Manufacturing is constantly evaluating it's suppliers to ensure that their products are constructed using recycled wood fiber, as well as compliance to these regulations required for our industry and services provided.

CARB established emission standards for wood products made with urea-formaldehyde resin products being sold in the State of California. The stated goals of CARB include attaining and maintaining healthy air quality; protecting the public from exposure to toxic air contaminates; and providing innovative approaches for complying with air pollution rules and regulations. In selecting particle board and MDF, WB Manufacturing selects Eco-Certified Composites (ECC). In addition to the adherence to CARB regulations, all composite wood products supplied by WB Manufacturing are also compliant to the EPA TSCA Title VI regulations that became effective as of June 1st, 2018.

WB Manufacturing supplies labeled products in accordance to the California Safe Drinking Water and Toxic Act of 1986 (a.k.a. - Proposition 65 Act). This Act requires all businesses to provide warnings to users in California about exposures to chemicals that cause cancer, birth defects or other reproductive harm.

WB Manufacturing continues to focus its operation on complying with manufacturing standards that puts the health and welfare of the planet and our people first. Our focus is to exceed in green initiatives and standards.

Visit wibenchmfg.com to learn more about our involvement in the following programs:

- **Eco-Certified Composite Standard**
- **California Air Resource Board**

DESIGN. BUILD. DELIVER.

WB Manufacturing Warranty

WB Manufacturing's Promise

WB Manufacturing warrants that its products shall be free of substantial defects in original material and workmanship based on specifications from the date of delivery to the extent detailed herein. **WB Manufacturing promises to repair or replace any WB Manufacturing brand product or component that is defective in material or workmanship under normal use for as long as the End User owns it.** This is the sole and exclusive remedy for WB Manufacturing products to be found defective. This warranty applies to WB Manufacturing products from the date of delivery to the End User and is non-transferable but is subject to limitations, exclusions or other provisions detailed below. End User implies the final purchasing entity acquiring the product from a WB Manufacturing Authorized Dealer for the purchaser's use and not for resale, remarketing or distribution.

WB Manufacturing Limited Lifetime Warranty Terms

Limited Lifetime Warranty

WB Manufacturing warrants that its laminate furniture, Book Nook Products, CaseworkUSA® Storage, REplay® Laminate Lockers & Cubbies, REplay® Storage Cabinets, Rhapsody® Music Storage, Storage Solutions, Synergy Products, World Famous Lockers and its steel frame products, specifically our desks, tables, chairs and stools shall be free of substantial defects in original material and workmanship from the date of delivery. This warranty is subject to the limitations and exclusions indicated below.

Additionally, WB Manufacturing warrants that all laminate furniture products are to be compliant with Custom Grade or better, as defined in AWI Standards, Eighth Edition, Revision 2, unless contract documents indicate otherwise.

12 Year Warranty

WB Manufacturing warrants that its laminate tops, butcher block tops, phenolic tops, epoxy tops, stainless steel tops, high wear and moveable parts (ie: casters, glides, etc.) shall be free of substantial defects in original material and workmanship for twelve (12) years from the date of delivery.

5 Year Warranty

WB Manufacturing warrants that all pneumatic bases and bases with flip mechanisms are free of substantial defects in original materials and workmanship for five (5) years from the date of delivery. Fomcore products are also warranted to be free of defects in material and workmanship under normal use of the product for five (5) years. Product must be properly cared for, maintained and in use by its original owner. Damage in transit or by negligence, abuse, abnormal usage, misuse, accidents or alterations nullifies the warranty.

1 Year Warranty

WB Manufacturing warrants that all electrical components, dry erase markerboard surfaces and HangOut Stools are free of substantial defects in original materials and workmanship for one (1) year from the date of delivery.

Pricing and specifications are subject to change. Please refer to our catalog on the website for the most up-to-date information. Product images are for illustrative purposes only and may differ from the actual product.

WB Manufacturing Warranty Cont.

WB Manufacturing Warranty Exclusions and Limitations

Exclusions

This warranty does not apply and no other warranty applies to the following:

- Defects caused by abuse, modification or alteration of the product.
- Any damage caused in transit by the carrier. WB Manufacturing will handle this with separate terms.
- Ordinary wear and tear (including but not limited to, scratching of laminate, phenolic, epoxy and butcher block tops, and ghosting on dry-erase markerboard) involving primary furniture surfaces, which are to be expected over the course of ownership.
- Products installed, used or maintained without following product specifications, assembly instructions or WB Manufacturing recommendations and warnings.
- Any intentional modifications or attachments to the product that were not designed or approved by WB Manufacturing.
- Product exposure to water, high or low humidity.

Warranty Limitations

This warranty is provided only to the initial purchaser, is non-transferable and is valid strictly for as long as the product is owned by the original customer. To be protected under this warranty, all products must be stored in areas of controlled temperature and humidity, and periodic regular scheduled maintenance must be performed. Cleaning of the high pressure laminate should be done by warm water and a non-abrasive cleaner. Abrasive materials should not be used for cleaning.

This warranty does not cover improper assembly/installation, failure as a result of inadequate inspection and maintenance, accident, vandalism or freight damage. Any incidental or consequential damages, including but not limited to business losses, personal property damage, and third party liabilities are hereby expressly excluded.

WB Manufacturing shall repair or replace, at its discretion, any portion of the product which proves to be defective under the terms of this warranty. Freight and installation costs are not included. WB Manufacturing may elect to substitute a reasonably comparable product, or a cash refund of the original purchase price (less reasonable depreciation) in the event the original warrantied product is no longer manufactured at the time the warranty is exercised.

WB Manufacturing products are not recommended or warranted for outdoor use. Some natural color variations occurring in plastics, laminates, paints or other natural materials are inherent to their character and cannot be avoided. WB Manufacturing does not consider these as defects. In addition, color-fastness or matching of colors, grains or textures of such materials are not warranted. Materials used at the request of a user or provided by customer is not warranted.

There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
