Healthy Flourless Peanut Butter & Jelly Cookie Sandwiches

INGREDIENTS:

- Cookies:**
- 1 cup creamy peanut butter
 - 1/2 cup honey
 - 1 large egg
 - 3 cups old-fashioned oatmeal
 - 1 teaspoon baking soda

Filling:

- 1/3 cup creamy peanut butter
- 1/3 cup Crofter's Organic Seedless Blackberry or Raspberry Premium Spread (or jam of your choice)

DIRECTIONS:

Preheat oven to 350°F. Line two baking sheets with parchment paper and set aside.

In the bowl of an electric mixer fitted with the paddle attachment, beat 1 cup peanut butter with 1/2 cup honey until smooth. Beat in the egg until well combined. Add the oats and baking soda and beat on low speed until just combined.

Using a 1/2 ounce cookie scoop, drop heaping one-tablespoon sized portions of dough a few inches apart on the prepared baking sheets. Flatten the top of each scoop of dough with the top of your hand.

Bake cookies for 7-8 minutes or until they are set and just start to crack a bit on top. Let cool on cookie sheets for a few minutes before transferring to a wire rack to cool completely.

Once cookies have cooled completely, turn them all over and spread the bottoms of half with a little over a teaspoon of peanut butter and the bottoms of the other halves with a little over a teaspoon of fruit spread. Place the cookies with fruit spread on them upside down onto the peanut butter of the other cookies to create a peanut butter and jelly cookie sandwich.

Here's what our clients are saying...

Excellent communication and service! We just moved in from out of town and needed to find our next trustworthy shop. Looks like Auto Select Appleton East is the one! Their free loaner is a HUGE selling point—we didn't have to worry about getting a ride back home or anything. We're definitely going back there again for our next service needs *Jay X., Appleton East*

I have been stopping here for many years for routine oil changes. The group of employees at this location are friendly and efficient. I've always had a positive experience. Would recommend! *Missy M., Appleton Express*

Tech was very open and honest and I greatly appreciated that. While I didn't get any work done here this time I would recommend going back assuming the entire shop is run this way. *Mark H., Appleton North*

Great prices, great service, and great people. Auto Select had better prices for my tire change than Discount Tire and has a great deal on oil changes as well! *Matthew E., Neenah*

Always great service from Jeremy and his team. Him and Eric are always doing their best to help me save a little money when they perform their services on my vehicles. It's just amazing work and their warranty for the work they do is incredible, thank you Jeremy, Eric and team you're the best. *Lizzy P., Green Bay East*

The guys are always friendly and accommodating. When I needed a new battery, I called and was told to just bring it in. I did and, 20 minutes later, was back home with problem solved. I won't go anywhere else. *Donna G., Green Bay West*

Everyone was friendly and explained everything that was being done to my vehicle. The ride to work and back was also helpful. *Kari S., Stevens Point South*

They do great work. Kind, fair, and thoughtful too. *John M., Stevens Point Express*

Great service from the team at Auto Select. Fair prices, always looking for an economical solution to keep the vehicle on the road. My go to place for vehicle service. *John G., Stevens Point East*

Great customer service from Jesse, at the counter. I went there to have a tire checked and found out it couldn't be repaired. Jesse gave me some options to get the tire fixed. I decided to just get four new tires. He didn't steer me towards the most expensive ones and gave me a quote for five different types of tires. All of them have a rebate offer going on. He also told me the pros and cons of each tire. I also didn't feel pressured to make a hasty decision. We'll definitely go back to Auto Select for our car needs. *Jenny M., Shawano*

Butch and his team have done a wonderful job working on my car and always gets you proper estimate! Only mechanic shop I go to in Weston! *Skylar S., Weston*
