HUMOR

How do farmers party?
They turnip the beets!

What do you call a kid who
doesn't believe in Santa?
A rebel without a Claus.

A gingerbread man went to the

"Have you tried icing it?"

Why did Santa's helper
see a therapist?
*Because he had

Here's what our clients are saying...

I found my service crew for my vehicle! Very nice staff. Mike was clear on what was needed and felt no pressure, just well informed, I will be a future customer! They treat you good! Very fair in pricing. Thankful! *E.U., Appleton East*

I started coming to this location this year. It's super convenient that I can just show up without an appointment. They do a look over all the needed places. They also check tires and fill if needed. Workers are all pleasant. *Carrie G., Appleton Express*

They always provide excellent and timely service. Most importantly they are upfront and honest about cost and provide multiple options. I never feel pressured which is greatly appreciated, especially being vehicle naive! *Liam B., Appleton North*

Fantastic and honest shop. Very happy with my service they have earned a customer. *Justen S., Neenah*

I've been with Auto Select Green Bay East for years now and Jaramey and the rest of the team always take care of me well!
Robert L., Green Bay East

I have been going to Auto Select for a few years now. Every time I get my car serviced, everyone is very personable, communicative, and knowledgeable. As a single gal, I need a mechanic I can trust who doesn't try to charge for services I don't need. I fully trust Auto Select to keep my car running safely. *Joellyn L., Green Bay West*

The maintenance workers were very helpful I had a brake light out that I tried to replace myself, but was unable to. So I called the shop and was able to get in at the last minute. They also addressed the issue of a directional light out. The price was reasonable as well. Thank you. *Teresa N., Stevens Point South*

They managed to get my car in on very short notice, with very affordable towing and service. I'll be coming here whenever my car needs it! *Alex N., Stevens Point Express*

These folks have taken care of my vehicles for about ten years now. Always a pleasure. *Jon K., Stevens Point East*

By far the easiest and most accommodating service I have had in the entirety of owning my vehicle. The staff were extremely helpful in getting me the correct tires I need for the driving I do. The mechanics were also able to fix the issues I was having with my exhaust. All in all a fantastic experience, it will be my default location for service from now on. *Jacob P., Shawano*

I'm passing on free oil changes from the dealer I bought my car just because I trust Auto Select more. Only place I go for car stuff. I refer everyone I know. *J.J. H., Weston*
