HAPPY NEW YEAR!

As we begin a new year, it's time for that annual exercise of making New Year's resolutions. From losing weight and eating better to exercising more and quitting bad habits, New Year's resolutions can be hard to keep. This year, take it easy on yourself and make some resolutions that help keep your car running at its best.

Resolution #1 - Resolve to keep your ride clean

Keep your car looking good - inside and out. Wash the outside of your car on a regular basis to avoid a buildup of dirt that not only looks unsightly but can lead to rust and corrosion. Regular trips through the car wash takes on increased importance. Corrosive salt on the roads ends up all over your vehicle, especially the undercarriage where it can corrode important parts. When washing, be sure to target the undercarriage and wheel wells.

Periodically clean the inside of your car. Pick up food wrappers and other garbage off the floor. If you spill that morning coffee, be sure to clean the upholstery immediately to prevent staining. Clean interior surfaces like the steering wheel, dashboard, console and handles to eliminate the growth of unhealthy bacteria.

Resolution #2 - Resolve to check your wiper blades on a regular basis

Your windshield wipers are key to you maintaining a clear view of the road during inclement weather. Don't wait until it starts raining to check the state of your windshield wipers; this is the absolute worst time to discover that they aren't working properly. Be sure to inspect your wiper blades - both front and rear - for signs of damage including splitting and ripping and performance problems like streaking and smearing.

Resolution #3 - Resolve to check your vehicle's vital fluids on a regular basis

Your vehicle relies on a variety of fluids to keep it running smoothly. Get in the habit of checking your car's oil and antifreeze (coolant) levels periodically. To check the oil, remove the dipstick and examine the level. If it is running low, top it off. When your engine is cool, carefully remove the radiator cap to check the antifreeze level. If it needs a top off, use a 50/50 mix of distilled water and coolant.

Resolution #4 - Resolve to keep on top of routine maintenance

Staying current on routine maintenance not only extends the life of your vehicle but can cut down on costly repairs down the road. Consult your owner's manual for the recommended service schedule for your vehicle

Resolution #5 - Resolve to pay attention to warning signs

Like a computer on wheels, your vehicle has the ability to tell you when something is wrong - if you're looking for it. Be on the lookout for any signs that your vehicle is experiencing issues. Check out your dashboard occasionally to see if any warning lights are illuminated.

Resist the temptation to ignore warning lights. Be especially aware of warning lights that could indicate a serious problem, such as the check engine light, brake light and temperature light.

Client Satisfaction Rating 4.8 out of 5 Stars ★★★★★

Here's what our clients are saying...

- The guys are super friendly and really work hard to get you in on short notice.** They tell you the problems and offer economical solutions. I'll definitely be going back. *Katie M - Appleton East*
- Emergency situation.** They were able to get my vehicle in at an emergency situation and wanted to make sure they had the right issue and not just repair without knowing of the exact problem. Tony kept me informed the whole time of what was going on with my vehicle. *Chris K - Appleton North*
- I have been going here for years.** They are always wonderful. I've never had a problem or complaint. Will continue going. *Rose R - Appleton Express*
- Same day service.** We had to get our engine cleaned and get new shocks and struts. Anthony rocks:) *Linda W - Neenah*
- I've been to great car repair places before, but this place is wonderful.** Everyone explains things well and goes out of their way to provide a great customer experience. *Andrew S - Green Bay East*
- Straight forward.** These folks fixed my exhaust issue right the first time at a reasonable cost, gave me a ride home and picked me up when the job was done. They were straight forward with what my truck actually needed, whereas their competitor gave me a not so honest cost and what was actually wrong with my truck! Thank you guys for doing the right thing, I will be returning for any service that I might need in the future! Thanks again. *Greg W - Green Bay West*
- Quick and good job.** Corrected the alignment on an older car for less than a competitor, did it quick and did a good job. *M W. Stevens Point East*
- Helpful and understanding.** This repair was a complete surprise to us and Chris understood and helped us where he could. He helped to soften the blow. *Jeff T - Stevens Point South*
- Auto Select in Weston exceeds a 5 star rating.** If you're looking for a shop that understands your needs this is the place!!! I have been a customer for 8 years never once did I have a problem with the team at Auto Select. *Allen B - Weston*

HUMOR

Soccer Field

Mary began a job as an elementary school counselor and she was eager to help.

One day, during recess, Mary noticed a young girl standing by herself on one side of the playing field while the rest of the kids were playing a game of soccer.

A while later, Mary walked over to the young girl and offered, "Would you like me to be your friend?"

The girl looked at Mary suspiciously, then said hesitantly, "Okay, I guess so..."

"Why are you standing here all alone?" asked Mary.

"Because," the little girl said with great exasperation, "I'm the goalie!"

A Choir

"How much does it cost to buy a large singing group?" the gentleman asked his friend.

"A choir?" his friend replied.

The gentleman responded "Okay, fine...how much does it cost to acquire a large singing group?"

Scrabble

Yesterday I saw a guy spill all his Scrabble letters on the road.

I asked him, "What's the word on the street?"

Labor

A woman in labor suddenly shouted, "Shouldn't! Wouldn't! Couldn't! Didn't! Can't!"

"Don't worry," said the doctor. "Those are just contractions."

Chicken Fried Rice

INGREDIENTS:

- 1 tbsp minced ginger
- 2 tbsp extra-virgin olive oil
- 3 chicken breasts
- 2 tbsp sesame oil
- 1 medium onion, chopped
- 2 carrots, peeled & diced
- 3 cloves garlic, minced
- 4 cups cooked white rice
- ¼ cup frozen peas
- 3 large eggs, beaten
- 3 tbsp soy sauce
- 2 green onions, thinly sliced

DIRECTIONS:

In a medium skillet, heat olive oil over medium heat. Season both sides of chicken with salt and pepper, add to skillet and cook until golden and no longer pink, about 8 minutes per side. Let rest for 5 minutes, cut into bite-sized pieces.

To the same skillet, heat 1 tbsp sesame oil. Add onion and carrots and cook until soft, about 5 minutes. Add garlic and ginger and cook for 1 minute more. Stir in rice and peas and cook until warmed through.

Push rice to one side of skillet and add remaining tbsp of sesame oil to the other side. Add eggs and stir until almost fully cooked, then fold eggs into rice. Add chicken back to skillet with soy sauce and green onions and stir to combine.
