HUMOR

Once a terrible golfer hit a ball onto an ant hill. He went over the ant hill to hit the ball. No matter how hard he tried, all the golfer managed to do was to hit the ant hill and kill some ants.

At last, only two ants remained. One turned to the other and said, "If we want to stay alive, we'd better get on the ball!"

A guy sees an advertisement in a pet-shop window: "Talking Centipede \$100."

The guy goes into the shop and buys it. He gets home, opens the box and asks the centipede if he wants to go for a beer.

The centipede doesn't answer, so the guy closes the lid, convinced he's been swindled. Thirty minutes later he decided to try again. He raises his voice and shouts, "Do you want to go for a beer?"

The centipede pokes his head out of the box and says, "Pipe down! I heard you the first time. I'm putting on my shoes!"

My wife asked me today if I had seen the dog bowl ...

I said I didn't know he could!

Client Satisfaction Rating **4.8** out of **5** Stars

Here's what our clients are saying...

My first time here for oil change and these guys were phenomenal! Friendly and efficient. Will definitely be getting my oil change here from now on, price is fair too! *Chaboon V - Appleton Express*

Mike and Darren are stand-up guys. I always get quality work here at fair prices and get an itemized list of the work done. Thank you for making my family car safer to drive! *Jason T - Appleton East*

I had a flat tire with a slow leak...they worked me in same day and found a nail! Very reasonable cost, prompt and professional! Have used them before and will use again! I highly recommend Tony and his team! They won't "steer" you wrong! *Mary G - Appleton North*

I had new tires put on! I asked about them on Monday and had them installed on Wednesday. **I was in and out under an hour.** Even though they were a busy crew they still made sure to check for other issues in my suspension. Which I will undoubtedly be bringing back in for those repairs. *David J - Neenah*

Another issue slipped my mind during my recent visit. **Thankfully they are aware of the unknown also, problem solved!** This team really works together and you should absolutely give them an opportunity to impress you! *David O - Green Bay East*

Had an unexpected flat while exiting 41 south. Called Jeremy at the East location who got me connected with the crew at this location to **get a swift recovery and get me back on the road**, about 1 hour total. Waited in the lounge and got some work done while the vehicle was getting it's tire thrown on. Thank you all for immediate service and keeping my vehicle on the road! *Mike S - Green Bay West*

I showed up at 8am without an appointment because of a check engine light and they were able to get me in right away. They communicated clearly what they intended to do. They contacted me promptly after they diagnosed it and gave me an accurate estimate. And by noon the repair was done at the price they quoted and I drove away. **Very professional.** *Dale B - Shawano*

They are a great shop to have work done. And very reasonable prices. *Shelly B - Stevens Point East*

Sue and her crew do an outstanding job. Overall Doug runs a great business and has a great team behind him. Been going to Auto Select since they opened and will not consider going any place else. *Mr. S - Stevens Point Express*

The ignition stopped working on my 1999 Dodge Caravan and they did not waste any time to make it priority for me and repairing it. They went as far as researching how to get it done quickly, hiring a local locksmith to custom build and giving me a free, new key to work with it! On top of that they found my battery was dead and installed a new one. They charged me nothing for the installation. And, not to forget, they even sent someone to pick me up to retrieve my vehicle. What better service can you get?! *Patricia S - Stevens Point South*

Great service. Had a battery issue at work and they let another customer borrow the heavy duty battery jump. Thank you to Auto Select and Clint for being lifesavers. *Mary B - Weston*
