HUMOR

Albert walks into a restaurant and wants to order chicken. Unfortunately, English is not his first language and he can't remember how to say chicken in English.

Albert sees the guy at the table next to him with a plate with four boiled eggs on it. Albert points to the plate and says to the waitress, "I want their mother!"

A guy sees a sign in front of a house: "Talking Dog For Sale." He rings the bell and the owner tells him the dog is in the backyard.

The guy goes into the backyard and sees a mutt just sitting there.

"You talk?" he asks the dog.

"Yep," the mutt replies.

"So what's your story?"

The mutt looks up and says, "Well, I discovered my gift of talking pretty young and I wanted to help the government, so I told the CIA about my gift, and in no time they had me jetting from country to country, sitting in rooms with spies and world leaders, because no one figured a dog would be eavesdropping. I was one of their most valuable spies eight years running.

The jetting around really tires me out, and I knew I wasn't getting any younger and I wanted to settle down. Married my wife, had a mess of puppies, and now I'm just retired."

The guy is amazed. He goes back in and asks the owner what he wants for the dog.

The owner says, "Ten dollars." The guy says, "This dog is amazing. Why on earth are you selling him so cheap?"

The owner replies, "He's just a big liar. He didn't do any of that stuff."

Cheesy Meatballs

INGREDIENTS:	¼ cup chopped parsley	3 tbsp. melted butter
1 lb. ground beef	2 cloves minced garlic	½ tsp. crushed red pepper flakes
1 large egg, slightly beaten	1 (16.3 oz.) can refrigerated biscuits	2 tbsp. grated parmesan
2 sticks string cheese, cut into 8 pieces each	2 tsp. italian seasoning	salt and pepper

DIRECTIONS:

1. Preheat oven to 350 degrees and line a medium baking sheet with foil
2. In a large bowl, combine ground beef, egg, 2 tbsp. parsley, garlic, italian seasoning, red pepper flakes, salt and pepper.
3. Divide meat into 16 portions, then roll each into a ball. Use your thumb to make a hole in each meatball, then stuff with a piece of string cheese. Roll ball in your hand to ensure cheese is completely enclosed.
4. Repeat until all meatballs are filled with cheese and place on baking sheet. Bake for 25 minutes, then let cool slightly. Turn oven up to 400 degrees and grease a medium baking dish with cooking spray.
5. Remove biscuits from can and using a serrated paring knife, cut the biscuit in half horizontally, creating two rounds. Using your palms, flatten biscuit until it is large enough to wrap around meatball.
6. Place one meatball in the center of each biscuit round, then wrap dough to completely cover the meatballs. Pinch to seal and place in prepared baking dish, and repeat until all meatballs are covered in biscuit dough.
7. In a small bowl, whisk to combine melted butter, parmesan and remaining parsley. Brush all overstuffed biscuits and bake until golden, 15 to 20 minutes more. Garnish with parmesan and parsley and serve.
