STEERING & SUSPENSION - ENSURE YOUR VEHICLE HAS A SMOOTH RIDE

Are you experiencing rough vibrations coming through your steering wheel? The quality of your ride might be suffering from a worn-out steering and suspension system. Don't ignore these signs:

- Diminished responsiveness, such as a pulling effect on the steering wheel.
- A lack of control or drifting when driving.
- Locking or grinding while turning.
- Squeaking or rattling noises from loose joints.
- Cracked rubber coverings that protect steering and suspension parts from rust.

These issues are most likely coming from your front-end assembly, a combination of the vehicle's steering and suspension: steering gear box, rack and pinions, tie rod ends, boots and sleeves, shocks, shock absorbers, struts, ball joints, control arms and pitman arm. If your chassis is sagging lower than the specification for your car, focus on replacing the springs, along with the coated rubber pads called bushings.

Normal driving creates wear and tear on your steering and suspension systems. The replacement parts for a vehicle's front and rear suspension are typically not included in the manufacturer's warranty. Most vehicle owners will wait until after 50,000 miles before inspecting steering and suspension components. But it is always a good plan to have your steering and suspension systems inspected on a routine basis to ensure that the parts are in proper working order.

STEERING & SUSPENSION PARTS

Two separate systems, the steering system and suspension system, work together to help you control your car. Supporting the weight of the vehicle, the suspension system plays a crucial role in the stability, handling and drivability of your vehicle, while the steering system gives you directional control of your car. You need both of these systems working in top condition to ensure that you maintain control of your vehicle.

Keep in mind, any replacement of shocks and struts will require a wheel alignment, which not only ensures that your tires will wear evenly, but will give you the best balance, comfort and control moving forward. Many of the steering and suspension mechanisms must be changed in pairs, like front struts and rear shock mounts. Small components for updating a vehicle's steering and suspension include coil springs, universal joints, the mounting plate, the bearing plate, pressure hoses and a power steering pump.

An overhaul of a vehicle's steering and suspension will very likely require replacing large components. For instance, the steering linkage assembly, which transfers movements from the driver to the tires, allowing the steering wheel to direct where the vehicle goes. Other large components that might need replaced include the rear differential, sway bars and stabilizers.

Steering and suspension parts play a key role in the safe operation of your vehicle. As you can clearly see, there are many components to a properly driving car. Have your trusted Auto Select mechanics look your vehicle over at your next service. We want to make sure "You're Good to Go!"

Remember to ask about your Auto Select Rewards Balance!

HUMOR

My wife said I should do lunges to stay in shape....
"That would be a big step forward."

What do you call a fish wearing a bowtie?
"Sofishticated."

I got carded at the liquor store, and then my Blockbuster card fell out of my wallet.
The cashier said "never mind."

Where do boats go when they're sick?...
"To the dock."

A cheeseburger walks into a bar. The bartender says, "Sorry, we don't serve food here."

Lemon Zucchini Bread

In a large bowl

- 3 Tablespoons Lemon Zest (4 lemons)
- 2 ½ Cups sugar - (rub sugar and zest together to release oils in zest)

Wet ingredients:

- 1 stick of butter melted
- 2/3 Cup of oil - (Blend together in large bowl with the sugar)
- 2 tsp. lemon extract
- 4 eggs

Dry Ingredients (Sift together)

- 4 Cups of flour
- 2 tsp. of baking powder
- 1 tsp. of baking soda
- 1 tsp. salt

Add dry ingredients to wet. Mix. Add 4 cups of drained grated zucchini. 2 Tbsp. fresh lemon juice. Place in 2 greased/sprayed loaf pans.

Bake at 350° oven for 1 1/4 hour or until a tooth pick in center comes out clean. Cool in the pans for 5-10 minutes. Cool on rack at least 4 hours.

Glaze:

- 1 Cup of powdered sugar
- 2 Tbsp. of fresh lemon juice
- Little salt to cut the sweetness
- Mix well. Pour over the loaves. Let dry until it feels hard when touched.
- Cover with foil.
- May add nuts or poppy seeds if desired.

Here's what our clients are saying...

I found my service crew for my vehicle! Very nice staff. Mike was clear on what was needed and felt no pressure, just well informed. I will be a future customer! They treat you good! Very fair in pricing. Thankful! *E.U., Appleton East*

First time going here for an oil change and the team was GREAT!! Service was fast, no wait and they helped with anything I asked. even walked me through resetting the oil light, it's a new car to me:) I definitely will be back !! Thank you guys for everything. *Heather C., Appleton Express*

I very much appreciate the honesty at Auto Select. Cornelius was easy to talk to and respected my time and money. My van runs great and the work was done quickly. Will definitely be coming back! *Josh H., Appleton North*

Everything is great at Auto Select Neenah. I highly recommend it. *Richard M., Neenah*

Always great and very friendly service. These guys are professional and prompt. I don't usually leave reviews, but this one is well deserved! *Raedene C., Green Bay East*

I was extremely impressed with the fast diagnosis of the problem with my car and the reasonably priced repair. They had me back on the road the next morning. *Mark E., Green Bay West*

Absolutely will be back for any vehicle needs in the future! Awesome customer service, Chris was very helpful and nice! Very happy with the communication and speed of service. Thank you! *Alesha W., Stevens Point South*

These folks are so great. They don't try to squeeze you and really care about the quality of their service. Always kind and courteous also. *Chuck M., Stevens Point Express*

Have always taken care of me. Very reasonable and straightforward. Too many nice things to say about Jim and not enough space to list them all. Thanks Jim and team for being so great!! *Katherine A., Stevens Point East*

Recommend highly. I roll in at 4:45 on a Friday afternoon with a flashing check engine light and the team enthusiastically diagnosed & fixed my car without hesitation. Absolutely life-saving on the brink of starting a summer weekend. Well done. *Andrew C., Shawano*

Excellent service, friendly and courteous staff! Always looking out for the best interest of the customer! I will always be back! *Jodi Rae C., Weston*
