The actual cost of educating a child is over **\$6000**. Because we believe in the importance of a Christian Education, Trinity Lutheran Church and its members supplement a majority of the cost of educating a child. Please consider this as you support the church and school in both financial and non-financial ways.

A \$30 nonrefundable registration fee per family is required at the time of registration. **The fee is in addition to current tuition rates.**

Tuition paid in full by **July 1st, 2020** will qualify for early discount.

A \$ 20 **technology fee** will be charged for each student in grades 5th-8th

A \$ 15 **technology fee** will be charged for each student in grades 1st-4th

(Technology fee will be collected at the beginning of the school year.)

This fee helps provide headphones and USB drives to students. It also provides for yearly renewal and updates of current programs in use as well as purchase of additional software and maintenance.

Tuition not paid in full by September 1st will be billed monthly from September through May. Statements will be mailed on the 5th of each month and due by the last day of each month. A \$10 late fee will be added each month for payments not made on time. All financial obligations must be paid before receiving a diploma.

If a family should decide to withdraw a student during the school year, written notice shall be provided in advance. \$100 of the tuition cost is non-refundable due to administrative costs and educational material having been purchased for the school year. The remaining balance of tuition will be prorated monthly and refundable if paid in advance.

Trinity Lutheran School has established a policy for collecting past due tuition owed to the school. Please review this policy in the Parent/Student Handbook.

A Tuition Assistance Fund has been established to help parents with tuition due to a financial need.
